

Unique Community Family Practice Physician Opportunities Create Your Own!

River Valley Health is a multi-facility health care organization providing inpatient, outpatient and community-based services in western New Brunswick. We are currently seeking family and emergency room physicians, and hospitalists to work in a variety of rural settings, including the communities of Woodstock, Bath, and Plaster Rock.

Positions Tailored to Your Needs

We offer unique positions that will fit your needs, your family, and your lifestyle. We will link you and your family with physician peers and a welcoming community network.

Work with us to create the position that you've been looking for - a variety of practice alternatives (short/long-term, part-time/full practices) with opportunities for general or focused areas of interest (ER, obstetrics, inpatient care, etc.) are available to you. We are open to discuss our various remuneration and incentive packages. We encourage you to contact us today.

Join Us - We're Opening the Doors

With our new state-of-the-art 70-bed hospital, opening in July 2007, we can support your care to patients with comprehensive primary and secondary care services, a full complement of allied health professionals and up-to-date equipment.

(See our website for more on the "New Upper River Valley (URV) Hospital")

Immediate and Upcoming Opportunities:

Immediate – several openings for family physicians in the communities of Woodstock, Bath, and Plaster Rock

Immediate – emergency room physicians for Woodstock, to transition to new URV hospital in July 2007

July 2007 – primary care hospitalists in new URV hospital

For a complete description of each of these practice opportunities, **please visit our website - www.rivervalleyhealth.nb.ca**

There's a lot more to life in Nova Scotia.

You've already decided to make your living caring for others.

Now you just have to choose *where*.

Come to Capital Health, Nova Scotia

Where patient care comes first – and is second to none.

Where you'll build a rewarding career with world-class health care colleagues.

Where academic and research opportunities abound at nationally recognized Dalhousie University.

Where the Atlantic Ocean is close enough for you to dip your toe... while on your lunch break.

Where you'll wonder what took you so long to get here.

Capital Health
