Biomedical Waste

We Handle Bio-Hazardous and Biomedical waste including sharps and expired medicines from pharmacies, medical offices, dental offices, animal hospitals, acupuncture clinics, nursing homes, special care homes, tattoo parlors etc. Sharps Containers are available for sale directly from the Bio Recovery technician and stocked on the truck for your convenience.

Scheduling

Bio Recovery Inc. will be making quarterly stops throughout the Maritimes to all Pharmacies, Physician offices, Dental offices, Nursing Homes, Acupuncture Clinics and Tattoo Parlors, however a need for more frequent servicing can be arranged at your convenience by phoning our offices. All bio-hazardous and contaminated waste is professionally handled and transported in sealed hoppers in our licensed refrigerated truck to a certified biomedical waste incinerator for proper destruction.

- * 24 Hour Emergency Service throughout the Maritimes
- * Structural decontamination and sanitization
- * Odor removal performed with hi-tech Ozone generators (not masking agents)
- * Bio Recovery technicians trained and certified in blood borne pathogens and their disinfection
- * Discretion assured, unmarked vehicles dispatched upon request
- * Fully compliant with federal and provincial regulations
- * Vehicle decontamination and restoration, post MVA
- * Most insurance policies cover cleanups of this nature
- * Chemicals utilized are certified for all possible pathogens and viruses
