Francis Toole is a first year Master of Information student. They live in the beautiful city of Halifax, Nova Scotia where they enjoy exploring, going to coffee shops and reading. They hope to one day become a librarian and share with everyone the love of reading and movie watching. Their other lifetime goal is to be surrounded by friends and cats.

Lynn Hart is a second year MI student from Halifax, Nova Scotia, who is pursuing a career in academic librarianship as a liaison librarian. When they're not busy studying, Lynn likes to spend time outside, listen to music, play video games, garden, visit coffee shops and the library, and take care of their buddy, Pikachu the hamster.

Marilla Word is a first year Master of Information student. She lives in Rose Bay, Nova Scotia, where she likes to run around in the woods, swim in the ocean, read, and play piano for her cat, Frankie. Marilla hopes to one day work in a school
