

Introduction

And 5 6 7 8!

The following collection of articles and resources revolves around youth and theatre. Theatre is described as both a physical space and as a play or other presentation with some dramatic qualities. This hotline discusses various aspects of theatre in relation to youth, touching on specific plays, a conversation of LGBTQIA+ in theatre, and theatre-related books reviews. A comprehensive look at attracting youth into theatre, its impacts on the lives of youths, and how to choose plays for youth theatre. This hotline will immerse readers in the world of theatre and invite them onto the stage to experience theatre for themselves.
