BECAUSE LET'S BE HONEST, YOUR MAILBOX IS PRETTY BORING WITHOUT US

CV2 strives to reflect the openness of the prairies, and that's why we publish a diverse offering of poets and poetic style. We have the range.

"Thank god for the mad devotees who make CV2. Our lamp and our mirror. Who we think we are, or might in truth be, however candid or sly, inventive or invented out of a shared obsession with ink and thinking. CV2 is as various and persistent as bacteria; here is our culture."

Whether it's interviewing established poets or welcoming young and emerging writers, CV2 understands what it takes to conserve our poetic ecosystem.
