

# MY GIRL

DAVID ROMANDA

As a rule  
she had no  
rules  
she'd suck  
the summer  
out of  
any guy for  
20 bucks  
yet now  
she won't let me  
touch her ...  
I've put  
a ring on her  
finger  
but she's  
not ready  
not for love

BOLD?

My wife left.

My grown son  
won't return my  
phone calls.

I punched my  
boss's secretary  
in the stomach.

Yeah ... I snack bold.
